Home Notes

At the conclusion of the first day of camp, campers will bring home a more detailed outline of expected programming for the week. Programming may need to be altered in the event of inclement/hot weather, but it will give you an idea of what to expect. Some activities happen every day (i.e., swimming) at one of our YMCA branch camps. Some activities may only happen once during the week, (i.e., high ropes at the Spencer Lodge site). We also remind campers about the Friday BIG DAY theme, so that you may start brainstorming costume ideas with your camper.

Programming Expectations

YMCA Day Camp programming provides campers with a broad range of activity options. Our emphasis is on creating experiences for campers based on the principals of YMCA Canada's Healthy Child Development. YMCA Day Camp programming grows with your child, providing new activities or more challenging activities as a camper progresses through our day camps. Specific activities listed in the brochure are meant to give you and your camper an idea of what is available at a given day camp site and should not be considered a guarantee that they will participate in all those activities in a single day. Many of our activities are weather dependent for example, nature hikes are some programs that will not occur during a thunderstorm or may need to be modified during excessive hot weather. Some activities may be affected by unforeseen circumstances, for example, mechanical failure. Our day camp sites will try to ensure that campers get to experience as many activities as possible as described in the brochure and on the website, but sometimes in order to ensure the overall safety and wellbeing of campers, it is not always possible. *Please talk to your camper's on site leadership team or day camp Counsellor for more specifics about daily programs.*

Talking to your child's day camp counsellor

While we encourage parent communication and are happy to speak with you about your child's day camp experience, you may not get an opportunity to meet your Counsellor face-to-face. If you do have any specific questions or concerns about your child's day camp experience, please speak to your day camp's Site Director and they will help you out.

Big Day Themes

Every Friday at Day Camp is BIG DAY! This is a special day where everything revolves around a fun theme. Campers and staff are encouraged to dress up according to the BIG DAY theme; while costumes are not mandatory they do make the day more enjoyable. Simple ideas work well too, like a towel for a cape or swim goggles for a mask. Please remember to leave toy weapons at home. It's a really fun way to end the week and all our age sections join in the fun. All our sites celebrate the same BIG DAY theme at the same time!

What to Bring to Camp

We expect your child to be responsible for everything they bring to camp. Your child's day camp Counsellor will certainly help their campers manage their belongings, but it is important that your child knows what they are bringing to camp. Keep in mind that your child will be very active, and camp can be rough on clothes. Try not to send campers in new or expensive clothing. Proper footwear is essential and we recommend running shoes. Camp continues rain or shine; please check the weather each morning to ensure your camper is properly prepared for the day.

Label Everything Your Child Brings To Camp

We suggest iron-on/stick-on labels or permanent marker for all items. Campers are expected to be responsible for their own belongings. Your camper should help you pack their backpack each day so that they know what is coming with them to camp. The YMCA of Southwestern Ontario cannot accept responsibility for clothing and/or equipment lost at camp or in transit.

Day Camp Packing List

- Appropriate clothing for weather conditions (jacket, rain gear, and rubber boots)
- Comfortable, closed-toe footwear (running shoes). **No flip-flops, Crocs or sandals, please!**
- Sun hat and Sunscreen (waterproof minimum SPF 30)
- Refillable water bottle ESSENTIAL (metal or strong plastic)
- Insect repellent (Outdoor camps)
- Lunch, snacks and drinks (details below)
- Pack it all in a properly sized backpack

Lunches

Your camper will be active for most of the day and may be hungrier than usual, so be sure to pack a large, nutritious lunch, 2 snacks, a drink, plus a refillable water bottle. In our ongoing efforts to respect the environment try packing your camper's food and drinks in clearly labeled, reusable containers. We recommend that you send lunches in an insulated lunch bag with an ice pack to keep them cool during the day. You can also try freezing water bottles and juice boxes the night before camp. YMCA Day Camp does not provide lunch or snacks and we strive to be nut-free. There are lots of websites that can provide you with lunch ideas. Feel free to share on our Facebook page any links to great sites that you have found.

Please be respectful of campers with severe life threatening allergies, and keep peanut butter and other nut products at home.

Recommended snacks:

Fruit, pretzels, granola bar (peanut free), cheese and crackers, yogurt, drink boxes/ bottle of water.

Recommended lunch:

- Sandwiches (whole grain bread, meat, cheese)
- Vegetables (carrot, celery, cucumber)
- Fruit (apple, pear, orange, banana)
- Drink boxes / bottle of water

Campers will not have access to a microwave or refrigerator at camp. Please do not send items that need to be heated up with your camper.

Campers will not have access to a food court. Do not send money with them with the expectation that they will purchase their lunch at camp. You must pack a bag lunch for your camper.

What NOT to Bring to Camp

PEANUT / NUT PRODUCTS, ipods/itouch, video games, knives, cell phones, matches, pets, personal toys, playing or trading cards. YMCA Day Camp will not be responsible for any lost, broken, or stolen items.

Lost & Found

All Lost & Found items will remain at the camp site until the end of the summer. Socks and underwear are not kept. Items will be stored at the camp site until the last week of camp. Items may be claimed by appointment between 9:00am and 4:00pm. All unclaimed items will be disposed of after this time.

Sign in and Sign out

In order to ensure the safety of campers, we require all campers to be signed in and out each day by a parent or guardian 18 years of age or older. At sign in you will indicate who will be picking up your camper at the end of the day. Your child will only be released to those indicated as authorized to do so.

Photo ID will be checked each and every day. Please make sure to notify the YMCA Camping Branch office of any changes to those authorized to pick up your child.

Inclement and Hot Weather

Campers spend a considerable amount of time outside at all of our day camp sites. In the event of inclement weather, activities will be modified to ensure the safety of our campers. For YMCA branch camps this involves spending more time indoors. For our outdoor camps this involves moving activities sheltered areas or cancelling some activities.

YMCA Day Camp staff will modify camp activities to accommodate for hot weather in order to ensure the health and safety of all participants. This will include frequent water breaks, water activities, less active games and the use of shaded and cooler areas of the camps. These precautions will allow all campers to enjoy a fun and safe camp experience, even on the hottest of days.

Camper Behaviour

Please take a moment and review our behaviour expectations with your child.

At YMCA Day Camp, safety is of the utmost importance and our goal is to provide a caring, respectful and supportive environment for every individual, campers and staff alike. Our staff are trained and experienced in providing high quality care for our campers. If a situation arises in which a camper threatens the safety or well-being of another person or themselves, or diminishes the camp experience for others, we will make every effort to correct the behaviour. Parents/guardians will be notified and if the behaviour continues the YMCA reserves the right to remove the camper from camp on a one day suspension. Should the behaviour continue upon the camper's return to camp, the YMCA reserves the right to remove the camper for the remainder of the camp session and/or future camp sessions. Should removal be required no refund will be granted.

In certain circumstances, a camper may be removed from the camp environment without warning if his or her behaviour jeopardizes the safety of campers or staff or where the camper is engaged in illegal activities. The YMCA will not be held responsible for any costs associated with a camper's dismissal and no refunds will be provided.

COVID-19 Safety protocols

- If someone begins exhibiting symptoms, they will be removed from their camper group and given a mask to wear. Families will be contacted to pick-up immediately.
- YMCA will be keeping logs of campers and their locations in the event of a COVID-19 positive case. Families who have a camper that has been in contact with the individual testing positive for COVID-19 will be contacted.
- YMCA Day Camps will adhere to enhanced cleaning and strict disinfecting guidelines while operating programs.
- Campers will not be required to wear masks or any other PPE unless physical distancing is unavoidable.

Camper Health and Wellbeing

Your child's safety is our first priority. All day camp staff are fully trained and certified in First Aid and CPR. In the event of a minor incident, YMCA staff will provide immediate appropriate care. All day camp Counsellors carry a basic First Aid Kit with them at all times during the camp day. Each Day Camp site has a quiet rest area where your child can rest if he/she becomes ill.

In the event that your child needs medical attention apart from minor injuries, we will ensure immediate, staff-accompanied transportation to the nearest hospital. If the situation warrants, we will call an ambulance. We will make every effort to contact you or your designated authorized/emergency contact(s), and will stay with your child until you arrive. Please note you will be billed for any additional costs.

We also expect that all campers are toilet trained prior to attending day camp.

Protecting our Community

The safety and well-being of our campers, their families, and our staff team is our number one priority. In order to protect our community, our YMCA Day Camps have implemented a number of new practices to help prevent the spread of COVID-19 that all day campers and their families will be required to follow. If you have any questions or concerns about these additional protective practices please get in touch with us at 519-453-8858.

Screening Procedures

All camper families will be required to participate in our YMCA Day Camp COVID Screening Procedures. Families will be sent screening questions for the whole family unit ahead of their camper attending their camp program. If any member of the family answers YES to any of the screening questions, you must get in touch with camp as the camper will not be able to participate in the camp program.

Upon arrival at camp each day, camper families will be required to answer the daily screening questions at the Curbside Screening Station before entering the site. This step will also include a temperature check done for every camper. If a camper or family members, answers YES to any of the screening questions or shows any symptoms of illness they will not be permitted to participate or enter the facility.

Campers will not be able to return to program until 14 days after symptom onset if they/their family member hasn't been tested for COVID-19. Campers or family members who have a confirmed negative COVID-19 test result, may return to program within 48 hours after no symptoms are observed.

Physical Distancing and Protection at Camp

While camp may look a little different this year as we introduce new safety measures, don't worry, each day is still going to be jam packed with fun! Here are some additional safety practices we are putting in place to help keep everyone safe this summer:

- Staff will review, encourage and monitor proper hand washing, hand sanitizing, and cough etiquette with all campers
- Physical distancing measures have been introduced where possible to ensure close contact between campers and also between camper groups is minimized
- Some activities have been modified or removed to limit close contact programs
- Enhanced cleaning throughout the day in all program areas

If a camper shows any symptoms while at camp, they will be immediately isolated from the other program participants and parents/guardians will be contacted and required to pick up their camper immediately. Please ensure you have the correct contact information on file and that you have a plan in place for picking up your child if necessary.

Medications

If you are sending medications to camp with your child, they must be in their original package, clearly labeled with both the child's name and the instructions for use. YMCA staff will collect any medication from campers each morning and hand them in to the office for secure storage and distribution to your child. Medications that require immediate use, such as an asthma inhaler or Epi-pen, will remain with the child or the day camp Counsellor.

Absence

If your child is going to be absent from camp, please call your child's camp site directly and report the absence to the Assistant Director Administrator or the Site Director in advance (see contact numbers below). If it is an unforeseen absence, please call your child's camp site first thing that morning to again report the absence. If you are leaving a voice message to report the absence please be sure to give the full name of your camper and the specific camp program they are attending, as well as the details of the absence. If a camper is not present at morning attendance and no absence has been called in, YMCA staff will begin calling the contacts listed on your camper's registration to ensure you are aware of this absence.

Families receiving financial assistance through their municipality should confirm with their case worker the number of eligible absent days available to you for the summer. Should you exceed those number of absent days, you will be responsible for full cost of the non-assisted rate for the days in which your

child is registered but not present nor cancelled prior to the regular registration closure deadline. In order to avoid being charged for the exceeded absent days, you must give the YMCA Financial Assistance Administrator notification of withdrawal from any day camp program by the regular registration closure deadline of noon 6 days prior to the program start date by email.

Please review your agreement with your city or municipality to ensure you understand their policies regarding total number of absent days allowed for registered programming.
