

Project North Questionnaire

This questionnaire is to be filled out by the youth registering for the Project North program. These questions will help us build rapport with our participants and give the Project North leadership team direction to shape the program with the voice of the participants. There are no minimum word counts or limits to this questionnaire, we only ask that you answer all the questions and give as much insight as you are comfortable with sharing.

Name:		Age:	
-------	--	------	--

1. What interests you about the Project North Program?

2. Out of our 7 program components; Philanthropy, Community Service, Fitness, Leadership, Conflict Resolution, Cultural Awareness, Healthy and Physical Activity Promotion

A) Which component would you say you are skilled in or knowledgeable of? Why?

B) Which component would you be most interested in focusing on during the program? Why?

3. Are you interested in the travel component of the program? If so, what about travelling would you be most excited about? Have you travelled out of the province before?

4. There will be many opportunities to volunteer in the community. Do you have any experience with volunteering? Please explain if so.

5. What would you say you are passionate about (this could be anything). Areas of examples: hobbies, school, volunteerism, learning, etc. And why?

6. Do you foresee any conflicts to attend program during the week for regular program (Mon and Tues 4-6pm) or the weekend during community events? If so, what other commitments do you have?

7. Is there anything else you would like us to know?
